UNAUDITED PRO FORMA COMBINED FINANCIAL INFORMATION

On October 31, 2013, Centrex, Inc. ("Centrex", "the Company") completed the acquisition of the privately held ROB Group, a leader in electronics manufacturing solutions located in Neulingen, Germany. The ROB Group, founded in 1989, consisted of 4 distinct operating companies, forming a complete electronics design, manufacturing, assembly, and cabling solutions provider that serves the electronics and cabling needs of some of the largest companies in the world in the Medical, Automation, Industrial, and Renewable Energy industries. ROB Group also has a manufacturing facility in Sibiu, Romania. ROB Centrex GmbH now operates as a subsidiary of Centrex, Inc..

The Unaudited Pro Forma Financial Information gives effect to the Acquisition using the acquisition method of accounting, after giving effect to the pro forma adjustments discussed in the accompanying notes. This financial information has been prepared from, and should be read in conjunction with, the historical consolidated financial statements and notes thereto of Centrex and ROB Group included elsewhere in this report.

The financial periods required to be presented in this Form 8K/A are based on our fiscal periods. Centrex and ROB Group have different fiscal year ends. For the purpose of presenting these pro forma financial statements, we used the financial statements for our fiscal year ended September 30, 2012, as filed with the Securities and Exchange Commission ("SEC") in our Annual Report on Form 10-K, and the financial statements for the six months ended March 31, 2012, in our Quarterly Report on Form 10-Q. To meet the SEC's pro forma requirements of combining operating results for ROB Group for an annual period that ends within 93 days of the end of our latest annual fiscal period as filed with the SEC, we combined ROB Group's twelve months ended December 31, 2012 with our fiscal year ended September 30, 2012. For the operating results for the six months ended March 31, 2013 we combined ROB Groups three months ended June 30, 2013 with our six months ended March 31, 2013.

The Pro Forma Combined Balance Sheet gives effect to the Acquisition as if it had occurred on March 31, 2013, combining the historical balance sheet of Centrex as of that date with the balance sheet of ROB Group as of June 30, 2013. The Pro Forma Statements of Operations for the twelve month period ending September 30, 2012 and for the six month period ended March 31, 2013 gives effect to the Acquisition as if it had occurred at the beginning of the respective periods.

The consolidated financial statements of Centrex presented in the Pro Forma Financial information utilize United States Generally Accepted Accounting Principles ("US GAAP"). These statements therefore reflect the impact of US GAAP adjustments made to the historical financial statements of ROB Group. The financial statements were translated from Euros to US dollars using the following exchange rates of Euro per US Dollar: 1.2816 with respect to the Balance Sheet at March 31, 2013; 1.2856 with respect to the Statement of Operations for the twelve months ended September 30, 2012; and 1.2847 for the statement of operations for the six months ended March 31, 2013.

The Pro Forma Combined Financial Information is unaudited, and is not necessarily indicative of the consolidated results that actually would have occurred if the acquisition had been consummated at the beginning of the periods presented, nor does it purport to present the future financial position and results of operations for future periods.
