PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
Thursday May 16, 2024

The Annual Meeting of Shareholders (the "Annual Meeting") of CEMTREX INC. (the "Company") will be held on Thursday May 16, 2024, at the Hyatt Regency Long Island, 1717 Motor Parkway, Hauppauge, NY 11788, at 9:30 a.m. Eastern Daylight Time for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. **The enclosed Proxy is solicited by and on behalf of the Board of Directors of the Company ("Board of Directors" or "Board") for use at the Annual Meeting to be held on Thursday May 16, 2024, and at any adjournments of such Meeting.** The approximate date on which this Proxy Statement and the enclosed Proxy are being first mailed to shareholders is April 3, 2024.

If a Proxy in the accompanying form is duly executed and returned, the shares represented by such Proxy will be voted as specified. In the absence of such directions, the Proxy will be voted in accordance with the recommendations of management. Any person executing a Proxy may revoke it prior to its exercise either by letter directed to the Company or in person at the Annual Meeting.

Outstanding Shares

On March 18, 2024 (the "Record Date"), the Company had outstanding 1,055,636 shares of its common stock, par value \$0.001 per share (the "Common Stock"). Shareholders are entitled to one vote for each share of common stock held as of the Record Date, or an aggregate of 1,055,636 votes.

Pursuant to the certificate of designation relating to the Series C Preferred Stock, each issued and outstanding share of Series C Preferred Stock is entitled to the number of votes equal to the result of (i) the total number of shares of Common Stock outstanding at the time of such vote multiplied by 10.01, and divided by (ii) the total number of shares of Series C Preferred Stock outstanding at the time of such vote, at each meeting of our shareholders with respect to any and all matters presented to our shareholders for their action or consideration, including the election of directors. At the Record Date, there were 50,000 shares of Series C Preferred Stock issued and outstanding. Accordingly, each outstanding share of Series C Preferred Stock is currently entitled to 211.33832 votes per share, or an aggregate of 10,566,916 votes.

Pursuant to the certificate of designation for the Series 1 Preferred Stock, each share of Series 1 Preferred Stock is entitled to two votes per share. At the Record Date, the Company had 2,408,053 shares of Series 1 Preferred Stock issued and 2,272,002 outstanding, or an aggregate of 4,544,004 votes.

Voting Rights

Proposal 1: Election of Directors Directors of the Company are elected by a plurality of the votes cast in contested and uncontested elections. The election at the Annual Meeting will be uncontested. "Plurality" means that the four individuals who receive the highest number of "FOR" votes will be elected as directors. You may vote either "FOR" or "WITHHOLD" your vote from any one or more of the nominees. Proxy cards specifying that votes should be withheld with respect to one or more nominees will result in those nominees receiving fewer votes but will not count as a vote against the nominees. **If you do not instruct your broker how to vote with respect to this item, your broker may not vote your shares with respect to the election of directors.** Any such shares not voted will be treated as broker non-votes, and broker non-votes will have no effect on the results of the election of directors.

3

Proposal 2: Ratification of Independent Registered Public Accounting Firm To be approved, this proposal to ratify our selection of an independent registered public accounting firm must receive an affirmative vote from shareholders present in person or represented by proxy at the annual meeting representing a majority of the votes cast on the proposal. Abstentions will have no effect on the results of this vote. For this proposal, brokerage firms have authority to vote shares of their customers that are held in "street name." **If a broker does not exercise this authority, the resulting broker non-votes will have no effect on the outcome of this proposal**

Can I vote if my shares are held in "street name"?

If the shares you own are held in "street name" by a brokerage firm, your brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your brokerage firm provides you. Many brokers also offer the option of voting over the Internet or by telephone, instructions for which would be provided by your brokerage firm on your vote instruction form.

Will my shares be voted if I do not provide my proxy?

Under applicable rules, if you do not give instructions to your brokerage firm, it will still be able to vote your shares with respect to certain "discretionary" items, but it will not be allowed to vote your shares with respect to certain "non-discretionary" items. The ratification of Grassi Co. Certified Public Accountants ("Grassi") as our independent registered public accounting firm (Proposal 2) is considered to be a discretionary item under applicable rules and your brokerage firm will be able to vote on that item even if it does not receive instructions from you, so long as it holds your shares in its name. The remaining items of business at the Annual Meeting are "non-

discretionary” and if you do not instruct your broker how to vote with respect to such proposals, your broker may not vote with respect to these proposals and those votes will be counted as “broker non-votes.” “Broker non-votes” are shares that are held in “street name” by a bank or brokerage firm that indicates on its proxy that it does not have or did not exercise discretionary authority to vote on a particular matter. Please see “Voting Rights” for information regarding the vote required to approve the matters being considered at the Annual Meeting and the treatment of broker non-votes.

If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy.

If your shares are held in street name, you must bring an account statement or letter from your bank or brokerage firm showing that you are the beneficial owner of the shares as of the Record Date in order to be admitted to the Annual Meeting. To be able to vote your shares held in street name at the Annual Meeting, you will need to obtain a proxy card from the holder of record.

Can I change my mind after I vote?

Yes, you may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting. You can do this by (1) signing another proxy with a later date and returning it to us prior to the Annual Meeting, or (2) voting again at the Annual Meeting.

What if I return my proxy card but do not include voting instructions?

Proxy cards that are signed and returned but do not include voting instructions will be voted in favor of the election of all of the nominee directors recommended by the Board of Directors, and “FOR” the ratification of the appointment of Grassi.

4

How will votes be counted?

Each share of Common Stock will be counted as one vote according to the instructions contained on a proper proxy card, whether submitted in person, by mail, on a ballot voted in person at the meeting or in accordance with the instructions provided by your broker. As described under “Outstanding Shares,” each share of Series C Preferred Stock is entitled to 211.33832 votes (or 10,566,916 votes in the aggregate), each share of Series 1 Preferred Stock is entitled to 2 votes (or 4,544,004 votes in the aggregate), and each share of common stock is entitled to 1 vote (or 1,055,636 votes in the aggregate). Accordingly, a total of 16,166,556 shares may be voted at the Annual Meeting. With respect to all proposals, shares will not be voted in favor of the matter and will not be counted as voting on the matter if they are broker non-votes. Assuming the presence of a quorum, abstentions and broker non-votes for a particular proposal will not be counted as votes cast to determine the outcome of a particular proposal.

Will my vote be kept confidential?

Yes, your vote will be kept confidential, and we will not disclose your vote, unless we are required to do so by law (including in connection with the pursuit or defense of a legal or administrative action or proceeding). The inspector of elections will forward any written comments that you make on the proxy card to management without providing your name unless you expressly request disclosure on your proxy card.

How does the Board of Directors recommend that I vote on the proposals?

The Board of Directors recommends that you vote on the proxy card:

“FOR” the election of each of the four nominees, Saagar Govil, Metodi Filipov, Brian Kwon, and Manpreet Singh proposed by the Board of Directors to serve as directors, each for a term of one year or until Cemtrex’s 2024 Annual Meeting of Stockholders (Proposal 1);

“FOR” the ratification of the selection of Grassi as our independent registered public accounting firm for the 2024 fiscal year (Proposal 2).

Where can I find the voting results?

We will report the voting results in a current report on Form 8-K within four business days after the end of the Annual Meeting.

What are the costs of soliciting these proxies and who will pay?

We will bear the costs of mailing the proxy statement and solicitation of proxies. In addition to solicitations by mail, our directors, officers and regular employees may solicit proxies by telephone, email and personal communication. No additional remuneration will be paid to any director, officer or employee of the Company for such solicitation. We will request brokers, custodians and fiduciaries to forward proxy soliciting material to the owners of shares of our Common Stock that they hold in their names. We will reimburse banks and brokers for their reasonable out-of-pocket expenses incurred in connection with the distribution of our proxy materials. To the extent necessary in order to assure sufficient representation, our officers and regular employees may request the return of proxies personally, by telephone or email. The extent to which this will be necessary depends entirely upon how promptly proxies are received, and shareholders are urged to send in their proxies without delay.

5

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some banks, brokers and other nominee record holders may be participating in the practice of “householding” proxy statements and annual reports. This means that only one copy of our proxy statement and annual report to shareholders may have been sent to multiple shareholders in your household unless we have received contrary instructions from one or more shareholders. We will promptly deliver a separate copy of either document to you if you contact us at the following address or telephone number: Cemtrex Inc., 135 Fell Court, Hauppauge, NY 11788, telephone: (631) 756-9116. If you want to receive separate copies of the proxy statement or annual report to shareholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker, or other nominee record holder, or you may contact us at the above address or telephone number.

Under the Delaware General Corporation Law, shareholders are not entitled to dissenters’ rights with respect to the proposals set forth in this Proxy Statement.

Committees of the Board

Our Board of Directors currently has one standing committee: the Audit Committee.

Compensation Committee

As a “Controlled Company” as such term is defined under NASDAQ Listing Rule 5615, the Company is not required to have a Compensation Committee.

Audit Committee

The Audit Committee, which has been established in accordance with requirements of Section 3(a)(58)(A) of the Exchange Act, is comprised of the following independent directors: Metodi Filipov (Chair), Brian Kwon, and Manpreet Singh. The Board of Directors has determined that each member of the Audit Committee: (i) is independent, (ii) meets the financial literacy requirements of the Nasdaq Rules, and (iii) meets the enhanced independence standards established by the SEC. In addition, the Board has determined that Mr. Filipov qualifies as an “audit committee financial expert” as that term is defined in Item 407(d)(5)(ii) of Regulation S-K promulgated under the Exchange Act by the SEC.

The Audit Committee is primarily concerned with the integrity of our financial statements, the independence, qualifications and performance of our independent registered public accounting firm, and our compliance with legal requirements. The Audit Committee operates under a written charter approved by the Board of Directors and the Audit Committee that reflects standards and requirements adopted by the SEC and NASDAQ.

As indicated in its charter, the Audit Committee’s duties include selecting and engaging our independent registered public accounting firm; reviewing the scope of the audit to be conducted by our independent registered public accounting firm; overseeing our independent registered public accounting firm and reviewing the results of its audit; reviewing our financial reporting processes, including the accounting principles and practices followed and the financial information provided to shareholders and others; overseeing our internal control over financial reporting and disclosure controls and procedures; and serving as our legal compliance committee.

Nomination of Directors

The Company does not currently have a standing nominating committee or a formal nominating committee charter. As a “Controlled Company” as such term is defined by NASDAQ Listing Rule 5615 the Company is not required to have a Nominating Committee. Currently, the independent members of the Board (Messrs. Panjwani, Patel and Filipov), rather than a nominating committee, approve or recommend to the full Board those persons to be nominated. The Board believes that the current method of nominating directors is appropriate because it allows each independent board member input into the nomination process and does not unnecessarily restrict the input that might be provided from an independent director who could be excluded from a committee. Currently, one of the two Directors are independent. Furthermore, the Board has adopted by resolution a director nomination policy. The purpose of the policy is to describe the process by which candidates for inclusion in the Company’s recommended slate of director nominees are selected. The director nomination policy is administered by the Board. Many of the benefits that would otherwise come from a written committee charter are provided by this policy.

In the ordinary course, absent special circumstances or a change in the criteria for Board membership, the incumbent directors who continue to be qualified for Board service and are willing to continue as directors are re-nominated. If the Board thinks it is in the best interest of the Company to nominate a new individual for director in connection with an annual meeting of shareholders, or if a vacancy occurs between annual shareholder meetings, the Board will seek potential candidates for Board appointments who meet the criteria for selection as a nominee and have the specific qualities or skills being sought. Director candidates will be selected based on input from members of the Board, senior management of the Company and, if deemed appropriate, a third-party search firm.

Candidates for Board membership must possess the background, skills and expertise to make significant contributions to the Board, to the Company and its shareholders. Desired qualities to be considered include substantial experience in business or administrative activities; breadth of knowledge about issues affecting the Company; and ability and willingness to contribute special competencies to Board activities.

The Board of Directors intends to review the director nomination policy from time to time to consider whether modifications to the policy may be advisable as the Company’s needs and circumstances evolve, and as applicable legal or listing standards change. The Board may amend the director nomination policy at any time.

The Board will consider director candidates recommended by shareholders and will evaluate such director candidates in the same manner in which it evaluates candidates recommended by other sources, as described above. Recommendations must be in writing and mailed to Centrex Inc., 135 Fell Ct. Hauppauge, New York 11788, Attention: Corporate Secretary, and include all information regarding the candidate as would be required to be included in a proxy statement filed pursuant to the proxy rules promulgated by the SEC if the candidate were nominated by the Board of Directors (including such candidate’s written consent to being named in the proxy statement as a nominee and to serving as a director if elected). The shareholder giving notice must provide (i) his or her name and address, as they appear on the Company’s books, and (ii) the number of shares of the Company which are beneficially owned by such shareholder. The Company may require any proposed nominee to furnish such other information it may require to be set forth in a shareholder’s notice of nomination which pertains to the nominee.

Insider Trading Policy

We recognize that the Company’s executive officers and directors may sell shares from time to time in the open market to realize value to meet financial needs and diversify their holdings, particularly in connection with exercises of stock options. All such transactions are required to comply with the Company’s insider trading policy.

Section 16 (a) Beneficial Ownership Reporting Compliance of the Securities Exchange Act

Section 16(a) of the Exchange Act requires directors, executive officers and persons who beneficially own more than 10% of our common stock (collectively, “Reporting Persons”) to file initial reports of ownership and reports of changes in ownership of our common stock with the SEC. Reporting Persons are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. To our knowledge, based solely on our review of the copies of such reports received or written representations from certain Reporting Persons that no other reports were required, we believe that during the year ended September 30, 2023, all Reporting Persons timely complied with all applicable filing requirements, except for one Form 4 report by Mr. Govil that was filed late.

Communications with Directors

Shareholders, associates of the Company and other interested parties may communicate directly with the Board of Directors, with the non-management Directors or with a specific Board member, by writing to the Board (or the non-management Directors or a specific Board member) and delivering the communication in person or mailing it to: Board of Directors, Privileged & Confidential, c/o Paul J. Wyckoff, Interim Chief Financial Officer, Centrex Inc., 135 Fell Ct. Hauppauge, New York 11788. Correspondence will be discussed at the next scheduled meeting of the Board of Directors, or as indicated by the urgency of the matter. From time to time, the Board of Directors may change the process by which shareholders may communicate with the Board of Directors or its members. Any changes in this process will be posted on the Company's website or otherwise publicly disclosed.

Corporate Governance

The Company has an ongoing commitment to good governance and business practices. Code of Ethics

We have adopted a code of ethics as of June 28, 2016, that applies to our principal executive officer, principal financial officer, and principal accounting officer as well as our employees. Our standards are in writing and are posted on our website. The following is a summation of the key points of the Code of Ethics we adopted:

- Honest and ethical conduct, including ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- Full, fair, accurate, timely, and understandable disclosure reports and documents that a small business issuer files with, or submits to, the Commission and in other public communications made by our Company;
- Full compliance with applicable government laws, rules and regulations;
- The prompt internal reporting of violations of the code to an appropriate person or persons identified in the code; and
- Accountability for adherence to the code.

Board Leadership and Structure

Saagar Govil, our Chief Executive Officer, also serves as Chairman of the Board of Directors. The Board believes that the Company and its shareholders are best served by having the Chief Executive Officer also serve as Chairman of the Board. The Board also believes that this structure is appropriate in light of the size of our Company and corresponding size of our Board and the complexity of our business. We believe that Mr. Govil is best positioned to develop agendas that ensure that our Board's time and attention are focused on the matters that are most critical to us.

Director Independence

The Board of Directors has determined that each of Messrs. Kwon, Singh, and Filipov are independent in accordance with NASDAQ rules. To determine independence, the Board of Directors adopted and applied the categorical standards of independence included in NASDAQ Listing Rule 5605(a)(2), which include a series of objective tests, such as that the director is not an employee of the Company and has not engaged in various types of business dealings with the Company.

Risk Oversight

The Board oversees Company functions in an effort to assure that Company assets are properly safeguarded, that appropriate financial and other controls are maintained, and that the Company's business is conducted prudently and in compliance with applicable laws, regulations and ethical standards.

While the Board is responsible for risk oversight, Company management is responsible for managing risk. The Company has a robust internal process and a strong internal control environment to identify and manage risks and to communicate with the Board. The Board monitors and evaluates the effectiveness of the internal controls and the risk management program at least annually. Management communicates routinely with the Board and individual Directors on the significant risks identified and how they are being managed. Directors are free to, and often do, communicate directly with senior management.

Board Attendance at Annual Meetings of Shareholders

The Company does not currently have a formal policy regarding Director attendance at the Annual Meeting of Shareholders. It is, however, expected that directors will be in attendance, absent compelling circumstances. Metodi Filipov, Brian Kwon, and Manpreet Singh were not in attendance at last year's meeting.

Transactions with Related Persons

As of September 30, 2023, and September 30, 2022, there was \$3,806 and \$19,133, respectively, payable due to Ducon Technologies, Inc., which is controlled by Aron Govil, the Company's Founder and Former Director and CFO. As of September 30, 2023, there were \$638,410 of receivables due from Ducon Technologies, Inc. The Company has negotiated a payment agreement regarding past receivables and other liabilities due to the Company totaling \$761,585. This agreement is in the form of a secured promissory note earning interest at a rate of 5% per annum and matures on July 31, 2024. Receivables due of \$708,512, which represents the amount due from Ducon to Centrex Technologies Pvt. Ltd. the Company's subsidiary based in India had been written off to bad debt during fiscal year 2022 and appears on the Company's consolidated statements of operations and comprehensive income/(loss) under general and administrative expenses.

On February 26, 2021, the Company entered into a Settlement Agreement and Release with Aron Govil regarding a dispute over an alleged misappropriation of funds.

As part of the Settlement Agreement, Mr. Govil was required to pay the Company consideration with a total value of \$7,100,000 (the "Settlement Amount") by entering into the Agreement. The Settlement Amount was satisfied in a combination of Mr. Govil forfeiting certain Preferred Stock and outstanding options and executing a secured note in the amount of \$1,533,280. The Independent Board of Directors in coordination with Management concluded the settlement represented fair value.

As discussed above, Mr. Govil also executed a secured promissory note (the "Note") in the amount of \$1,533,280. The Note matures and is due in full in two years and bears interest at 9% per annum and is secured by all of Mr. Govil's assets. Mr. Govil also agreed to sign an affidavit confessing judgment in the event of a default on the Note.

While the Company believes the note is fully collectible, in accordance with ASC 450-30, Gain Contingencies, the Company determined the gain will not be recognized until the note is paid. Accordingly, the note and associated gain is not presented on the Company's financial statements.

On November 22, 2022, the Company entered into two Asset Purchase Agreements and one Simple Agreement for Future Equity ("SAFE") with the Company's CEO, Saagar Govil, to secure the sale of the subsidiaries Centrex Advanced Technologies, Inc, which include the brand SmartDesk, and Centrex XR, Inc., which include the brands Centrex XR, Virtual Driver Interactive, Bravo Strong, and good tech (formerly Centrex Labs), to Mr. Govil

Due to the on-going losses and risk associated with the SmartDesk business the Company has valued the royalty and SAFE agreement associated with the SmartDesk sale at \$0 and considers such consideration to be a gain contingency.

Based on sales projections for Centrex XR, Inc., the Company does not believe that it will exceed the sales levels required to exceed the \$820,000 royalties due and has not accounted for any additional royalties at this time. In accordance with ASC 310 – Receivables, the Company has discounted the royalties due and during the year ended September 30, 2023, has recognized \$704,893 of royalties due and will amortize the remaining amount over the period the royalties are due.

As of September 30, 2023, there was \$528,717 in trade receivables due from these companies and \$64,703 in accounts payables. Of these receivables \$132,102 are related to costs paid by the Company related to payroll during the transition of employees to the new company and some subscription services that are set up on auto pay with a credit card. The remaining \$396,615 is related to services provided by Centrex Technologies Pvt. Ltd. in the normal course of business. During Fiscal year 2023, the Company recognized \$1,522,102 of revenue from these companies. During fiscal year 2023, \$38,027 of trade receivables were reserved for by the Company's subsidiary Centrex Technologies Pvt. Ltd. Due to regulations by the Indian tax authority. The Company will keep this allowance in place but considers the debt to be collectable. These balances are presented on the Consolidated Balance Sheets under the captions "Trade receivables - related party" and "Accounts payable - related party".
