Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On August 21, 2024, Centrex, Inc. (the “Company”) received a notification letter from the Listing Qualifications Department of The Nasdaq Stock Market LLC (“Nasdaq”) notifying the Company that, because the stockholder’s equity for the Company was below \$2,500,000 as reported on our Form 10-Q for the period ended June 30, 2024, the Company no longer meets the minimum shareholder’s equity requirement for continued listing on The Nasdaq Capital Market under Nasdaq Marketplace Rule 5550(b)(1), requiring a minimum stockholder’s equity of \$2,500,000 (the “Minimum Stockholder’s Equity Requirement”).

In addition, as reported on Form 8-K filed with the Securities and Exchange Commission on June 17, 2024, on June 14, 2024, the Company received a notification letter from the Listing Qualifications Department of Nasdaq notifying the Company that, because the closing bid price for the Company’s common stock listed on Nasdaq was below \$1.00 for 30 consecutive trading days, the Company no longer meets the minimum bid price requirement for continued listing on The Nasdaq Capital Market under Nasdaq Marketplace Rule 5550(a)(2), requiring a minimum bid price of \$1.00 per share (the “Minimum Bid Price Requirement”).

The notification has no immediate effect on the listing of the Company’s common stock. In accordance with Nasdaq Marketplace Rule 5810(c)(3)(A), the Company has 45 calendar days to submit a plan to regain compliance or until October 7, 2024. If the plan is accepted, Nasdaq can grant an extension of up to 180 calendar days from the date of this letter to evidence compliance, or until February 18, 2025, to regain compliance with the Minimum Stockholder’s Equity Requirement. If at any time before February 18, 2025, the Company’s stockholder’s equity is reported at or above \$2,500,000, Nasdaq will provide written notification that the Company has achieved compliance with the Minimum Stockholder’s Equity Requirement.

The Company is currently working on a plan to submit to Nasdaq to regain compliance on the Minimum Stockholder’s Equity Requirement and action to meet the Minimum Bid Price Requirement. There can be no guarantee that the Company will be able to regain compliance with either requirement or that its plan will be accepted by Nasdaq.

Re: Centrex Inc. (the "Company")
Nasdaq Symbol: CETX

Dear Govil:

I am following up on our recent telephone conversation, in which I explained that companies listed on the Nasdaq Capital Market (the "Capital Market") are required to maintain a minimum of \$2,500,000 in stockholders' equity for continued listing.¹ Since your Form 10-Q for the period ended June 30, 2024 reported stockholders' equity of \$47,956, and as of today the Company does not meet the alternatives of market value of listed securities or net income from continuing operations, the Company no longer complies with our Listing Rule (the "Rule").²

Under our Rules the Company has 45 calendar days to submit a plan to regain compliance. If your plan is accepted, we can grant an extension of up to 180 calendar days from the date of this letter to evidence compliance. Your plan should be as definitive as possible, addressing any issues that you believe would support your request for an extension. You are encouraged to provide any relevant documentation, including but not limited to financial projections, agreements, offering circulars, letters of intent and contracts and the timeline to complete your plan.³

In determining whether to accept your plan, we will consider such things as the likelihood that the plan will result in compliance with Nasdaq's continued listing criteria, the Company's past compliance history, the reasons for the Company's current non-compliance, other corporate events that may occur within our review period, the Company's overall financial condition and its public disclosures. Therefore, it would be helpful if your plan addresses each of these points.

¹ Listing Rule 5550(b)(1)

² In a situation where an Issuer does not comply with the minimum \$2.5 million, shareholders' equity criteria of the Capital Market, Staff will determine if the Company has a market value of listed securities of \$35 million, or net income from continuing operations of \$500,000 in the most recently completed fiscal year or in two of the last three most recently completed fiscal years. For your convenience we have attached a breakdown of the Capital Market's quantitative continued listing requirements.

³ For additional information with respect to compliance plans please see attached "Nasdaq Online Resources" when preparing your plan of compliance.

Please email the Company's compliance plan to rachel.scherr@nasdaq.com no later than October 7, 2024. After I review the plan, we will contact you if we have any questions or comments and will provide you written notice of our decision. If we do not accept your plan, you will have the opportunity to appeal that decision to a Hearings Panel.⁴

Our Rules require that the Company promptly disclose receipt of this letter by either filing a Form 8-K, where required by SEC rules, or by issuing a press release. The announcement needs to be made no later than four business days from the date of this letter and must include the continued listing criteria that the Company does not meet, and a description of each specific basis and concern identified by Nasdaq in reaching the determination.⁵ The Company must also submit the announcement to Nasdaq's MarketWatch Department.⁶ If the public announcement is made between the hours of 7:00 AM and 8:00 PM Eastern Time, the Company must submit the announcement to Nasdaq's MarketWatch Department at least ten minutes prior its public release. If the public announcement is made outside of these hours, the Company must submit the announcement prior to 6:50 A.M. Eastern Time. Please note that if you do not make the required announcement trading in your securities will be halted.⁷

Finally, Nasdaq makes available to investors a list of all non-compliant companies, which is posted on our website at listingcenter.nasdaq.com. The Company will be included in the list beginning five business days from the date of this letter. As part of this process, an indicator reflecting the Company's non-compliance will be broadcast over Nasdaq's market data dissemination network and will also be made available to third party market data providers.

If you have any questions, please contact Rachel Scherr at +1 410 917 6542.

Sincerely,

Ellen Ignacio
